Contract No. W-7405 eng-276

This document contains information affecting the
National Defense of the United States within the
meaning of the Espionage Laws, Title 18, U.S.C.,
Sections 793 and 794, and the transmission or
revelation of its contents in any manner to an
unauthorized person is prohibited by law.

SUPPLEMENTAL AGREEMENT NO. 1

THIS SUPPLEMENTAL AGREEMENT, entered into this 6th day
of November, 1944, effective as of the 1st day of September,
1944, by and between the UNITED STATES OF AMERICA, hereinafter
called the Government, represented by the Contracting Officer exe-
cuting this agreement, and HARSHAW CHEMICAL COMPANY, a corporation
organized and existing under the laws of the State of Ohio of the
City of Cleveland in the State of Ohio, hereinafter called the
Contractor;

WITNESSETH THAT:

WHEREAS, the parties hereto entered into Contract No.
W-7405 eng-276 for certain services and production of material; and

WHEREAS, it is deemed advantageous and in the best
interests of the United States to modify the said contract to
provide for the expansion of the plant to increase production
capacity;

NOW, THEREFORE, the said contract is hereby amended in
the following particulars, but in no others:

1. Paragraph (1a) is added to Article I providing as
follows:

(1a) The Contractor shall take such steps and do all
things necessary with the utmost dispatch to alter, extend, and ex-
pand the present existing facilities at its plant, to increase the
estimated capacity thereof to forty-five hundred (4500) pounds of
Product C-616 daily, without factor of safety, in place of the
former estimated capacity of thirty-three hundred (3300) pounds of
Product C-616 daily. As complete compensation for such expansion,
alteration and extension of the said plant, the Contractor shall
receive the sum of Thirty-five Thousand (\$35,000.00) Dollars.

IN WITNESS WHEREOF, the parties hereto have executed
this agreement as of the day and year first above written.
